Welcome to Flushing Meadows Corona Park Aquatic  
Center!

### About the Facility

The Flushing Meadow Aquatic Center is a brand new state of the art facility located in Flushing Meadows Corona Park. The facility offers an Olympic Size swimming pool, which is separated into three pools daily. Each pool is designated for lap swim, open swim and facility rentals.

The FMCP Pool has a moveable floor that can accommodate water levels of 1 foot to 7 feet in one section of the pool. The facility also has three diving boards and is set up to host swimming and diving competitions at all levels.

Locker rooms are available to store your belongings as well as to change and shower.

### Swimming Opportunities & Programs

#### **Open Swim Sessions**

Open Swim is available through scheduled sessions throughout the day. However, due to high usage numbers, Members Open Swim is divided into 1 hour and 1 ½ hour sessions. In order to enter Member Open Swim, it is recommended that you arrive at the pool one hour and a half before the session starts in order to receive a wristband because each session can hold only a certain number of swimmers. After you receive your wristband, you may wait for your session to start on the third floor of our facility. *Wristbands are only issued during the spring and summer season as those are the peak seasons for the Aquatic Center.*

#### **Lap Swim**

**Lap Swim is always available to Parks Members during center operating hours except during swim meets and other special events. Non Members may pay the daily rate in order to utilize lap swimming.**
